REFLECTIVE ADDRESS SIGN ORDER FORM

In an emergency, minutes lost looking for an address can be the difference between life and death. Chelan County Fire District 1 Volunteers began the *Reflective Address Sign Project* to “HELP US, HELP YOU” in an emergency. A reflective address sign should be placed at the head of your driveway, on the front of your house, or somewhere that is clearly visible to emergency responders. Taking this small step will greatly assist emergency responders in locating your house quickly and without delay.

Reflective address signs can be ordered by mailing in the completed form or hand delivering it to the address below. We appreciate you taking the opportunity to “HELP US, HELP YOU” in an emergency.
