WHEREAS, pursuant to chapter 52.16 RCW the District levies ad valorem taxes on all real and personal property in the District in accordance with the Assessed Value (the "Levy Rate").

WHEREAS, in lieu of an Assessed Value the District and the Agency have elected to utilize the seventy percent (70%) of the value declared by the Agency for casualty insurance on the Agency Facilities (the "Adjusted Insured Value").

WHEREAS, the District and the Agency have determined that Adjusted Insured Value of the Agency Facilities multiplied by the Tax Rate is a true and full value as required pursuant to RCW 43.09.210.

NOW, THEREFORE in consideration of the mutual promises and covenants contained

NOW, THEREFORE in consideration of the mutual promises and covenants contained herein the District and the Agency agree as follows:

On or before December 31st of each year the District will provide an invoice to the Agency of the amount of the Annual Payment for the following year.

1.2. Reporting Changes in Agency Facilities and Adjusted Insured Value. Exhibit "A" attached hereto is a current list of the real and personal property of the Agency located within the District. Agency will provide the District with a copy of a written appraisal report for the Agency Facilities. The appraisal shall be conducted such that the appraisal report is available no later than November 30th preceding the year of the Annual Payment. Thereafter the Agency may elect to make an Annual Payment for the following year equal to the Appraised Value multiplied by the Tax Rate.
